CME Accreditation

CME Accreditation

Accreditation Statement:

The California Orthopaedic Association is accredited by the Institute for Medical Quality/California Medical Association (IMQ/CMA) to provide continuing medical education for physicians.

The California Orthopaedic Association designates this live activity for a maximum of 19 *AMA PRA Category 1 Credit (s)*[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity.

This credit may also be applied to the CMA Certification in Continuing Medical Education. The California Orthopaedic Association takes responsibility for the content, quality, and scientific integrity of this CME activity.

10 of these credits qualify for CME in radiologic technology as required by California state law.

Category I CME and ABOS MOC Credits:

10 credits of the Category 1 CME credits will qualify for ABOS MOC scored and recorded Self Assessment Examination hours.

QME CME Credits:

The QME Course is accredited for 6 hours of Qualified Medical Evaluator (QME) CME credit hours. COA is provider #100.

CMEs and AMA PRA Category 1 credits for CEUs AAPC:

AAPC will honor 1-for-1 CEUs for any live event offering CME credit or AMA PRA Category 1 credit. A certificate of attendance or completion is necessary to show participation. The certificate will give the total CMEs possible for the offering. AAPC-certified members should only claim credit commensurate with the extent of their participation. One hour of instruction is worth one CEU.

Target Audience

- This program has been designed for the general orthopaedic surgeon to instruct them in the latest research and technologies in: adult reconstruction, sports medicine, hand surgery, and trauma. The QME course will also update QME certified physicians on the latest Workers' Compensation disability evaluation issues for both QMEs/AMEs and treating physicians.

Educational Objectives

- Be able to implement the new advancements in adult reconstruction, sports medicine—upper and lower extremity, hand surgery, and trauma.
- Understand the best practice models through interactive networking sessions.
- Be able to evaluate new orthopaedic practice trends.
- Understand new legislations/regulations that affect orthopaedic practice and patient care.
- Understand Workers' Compensation Disability Evaluation Issues and how they affect injured workers.

How do I obtain my CME Hours?

QME hours and Category I CME hours

All Category 1 CME and QME CME Certificates will be posted on COA's website—www.coa.org for you to download and print. This is a direct link to the Certificates: <http://www.coa.org/docs/MasterFileCMECertificates.pdf>

Practice managers and orthopaedic coders will need to send their Category 1 CME Certificate to AAPC to obtain CME credit.

Please note, you should only report the hours that you were actually in attendance at the meeting.

Certificates of Completion for those applying for the ABOS MOC Scored and Recorded Category 1 CME hours, will be emailed directly to you once you have completed the Pre- and Post-Testing process.

If you have any questions regarding your QME or Category I hours, please call 916-454-9884 or email coa1@pacbell.net

2015 Annual Meeting &
QME Course

Course for Orthopaedic Practice Managers

April 23-26, 2015

Esmeralda Resort & Spa, Indian Wells, CA

The COA meeting will be held the same weekend as the Stagecoach Festival. We are anticipating that some of you may want to attend, so no meeting sessions will be planned Saturday afternoon. Transportation arranged by the Festival organizers stops at the Esmeralda.

Tickets to the Festival should be available in June or July, 2014. The event will sell out, so if you want to attend, please purchase your tickets as soon as they are available.
