The California Orthopaedic Association (COA) is accredited by the Institute for Medical Quality/California Medical Association (IMQ/CMA) to provide AMA PRA Category 1 Credit(s)™ continuing medical education for physicians. COA takes responsibility for the content, quality and scientific integrity of this CME activity. The California Orthopaedic Association designates this 2016 Annual Meeting for a maximum of 17 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

# Category I CME Certificate of Completion

This certificate attests that:

## Michael Slutzker, M.D.

Attended COA's 2017 Annual Meeting held on May 19-21, 2017  
at the Omni La Costa Resort in Carlsbad, CA. The meeting was accredited for

### 17 AMA PRA Category 1 Credit(s)™

A maximum of 6 hours may be claimed for Radiology Technology Continuing Medical Education hours and  
4 hours for Fluoroscopy Continuing Medical Education by attending the Annual Meeting.

Sessions/educational materials that included radiation safety and the application of x-ray/fluoroscopy to the human body were:

- What's New in Arthroplasty? - Clinical Decisions - The Road Less Traveled
- Fluoroscopy Safety – Practical Application in an Orthopaedic Practice
- What's New in Spine?
- What's New in Hand & Wrist?
- What's New in Sports & Shoulder?
- What's New in Orthopaedic Oncology?
- What's New in Trauma?
- What's New in Foot & Ankle?
- What's New in Pediatrics?

The California Orthopaedic Association (COA) is accredited by the Institute for Medical Quality/California Medical Association (IMQ/CMA) to provide AMA PRA Category 1 Credit(s)™ continuing medical education for physicians. COA takes responsibility for the content, quality and scientific integrity of this CME activity. The California Orthopaedic Association designates this 2016 Annual Meeting for a maximum of 17 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

# Category I CME Certificate of Completion

This certificate attests that:

## Richard Fedder, M.D.

Attended COA's 2017 Annual Meeting held on May 19-21, 2017  
at the Omni La Costa Resort in Carlsbad, CA. The meeting was accredited for

### 17 AMA PRA Category 1 Credit(s)™

A maximum of 6 hours may be claimed for Radiology Technology Continuing Medical Education hours and  
4 hours for Fluoroscopy Continuing Medical Education by attending the Annual Meeting.

Sessions/educational materials that included radiation safety and the application of x-ray/fluoroscopy to the human body were:

- What's New in Arthroplasty? - Clinical Decisions - The Road Less Traveled
- Fluoroscopy Safety – Practical Application in an Orthopaedic Practice
- What's New in Spine?
- What's New in Hand & Wrist?
- What's New in Sports & Shoulder?
- What's New in Orthopaedic Oncology?
- What's New in Trauma?
- What's New in Foot & Ankle?
- What's New in Pediatrics?

The California Orthopaedic Association (COA) is accredited by the Institute for Medical Quality/California Medical Association (IMQ/CMA) to provide AMA PRA Category 1 Credit(s)™ continuing medical education for physicians. COA takes responsibility for the content, quality and scientific integrity of this CME activity. The California Orthopaedic Association designates this 2016 Annual Meeting for a maximum of 17 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

# Category I CME Certificate of Completion

This certificate attests that:

## Thomas Grogan, M.D.

Attended COA's 2017 Annual Meeting held on May 19-21, 2017  
at the Omni La Costa Resort in Carlsbad, CA. The meeting was accredited for

### 17 AMA PRA Category 1 Credit(s)™

A maximum of 6 hours may be claimed for Radiology Technology Continuing Medical Education hours and  
4 hours for Fluoroscopy Continuing Medical Education by attending the Annual Meeting.

Sessions/educational materials that included radiation safety and the application of x-ray/fluoroscopy to the human body were:

- What's New in Arthroplasty? - Clinical Decisions - The Road Less Traveled
- Fluoroscopy Safety – Practical Application in an Orthopaedic Practice
- What's New in Spine?
- What's New in Hand & Wrist?
- What's New in Sports & Shoulder?
- What's New in Orthopaedic Oncology?
- What's New in Trauma?
- What's New in Foot & Ankle?
- What's New in Pediatrics?

The California Orthopaedic Association (COA) is accredited by the Institute for Medical Quality/California Medical Association (IMQ/CMA) to provide AMA PRA Category 1 Credit(s)™ continuing medical education for physicians. COA takes responsibility for the content, quality and scientific integrity of this CME activity. The California Orthopaedic Association designates this 2016 Annual Meeting for a maximum of 17 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

# Category I CME Certificate of Completion

This certificate attests that:

## Michael Ries, M.D.

Attended COA's 2017 Annual Meeting held on May 19-21, 2017  
at the Omni La Costa Resort in Carlsbad, CA. The meeting was accredited for

### 17 AMA PRA Category 1 Credit(s)™

A maximum of 6 hours may be claimed for Radiology Technology Continuing Medical Education hours and  
4 hours for Fluoroscopy Continuing Medical Education by attending the Annual Meeting.

Sessions/educational materials that included radiation safety and the application of x-ray/fluoroscopy to the human body were:

- What's New in Arthroplasty? - Clinical Decisions - The Road Less Traveled
- Fluoroscopy Safety – Practical Application in an Orthopaedic Practice
- What's New in Spine?
- What's New in Hand & Wrist?
- What's New in Sports & Shoulder?
- What's New in Orthopaedic Oncology?
- What's New in Trauma?
- What's New in Foot & Ankle?
- What's New in Pediatrics?

The California Orthopaedic Association (COA) is accredited by the Institute for Medical Quality/California Medical Association (IMQ/CMA) to provide AMA PRA Category 1 Credit(s)™ continuing medical education for physicians. COA takes responsibility for the content, quality and scientific integrity of this CME activity. The California Orthopaedic Association designates this 2016 Annual Meeting for a maximum of 17 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

# Category I CME Certificate of Completion

This certificate attests that:

## Lee Woods, M.D.

Attended COA's 2017 Annual Meeting held on May 19-21, 2017  
at the Omni La Costa Resort in Carlsbad, CA. The meeting was accredited for

### 17 AMA PRA Category 1 Credit(s)™

A maximum of 6 hours may be claimed for Radiology Technology Continuing Medical Education hours and  
4 hours for Fluoroscopy Continuing Medical Education by attending the Annual Meeting.

Sessions/educational materials that included radiation safety and the application of x-ray/fluoroscopy to the human body were:

- What's New in Arthroplasty? - Clinical Decisions - The Road Less Traveled
- Fluoroscopy Safety – Practical Application in an Orthopaedic Practice
- What's New in Spine?
- What's New in Hand & Wrist?
- What's New in Sports & Shoulder?
- What's New in Orthopaedic Oncology?
- What's New in Trauma?
- What's New in Foot & Ankle?
- What's New in Pediatrics?
