

## OKU-11 Study Flashcards

**The California Orthopaedic Association is pleased to offer orthopaedic surgeons a new study tool to help you prepare for your Maintenance of Certification (MOC), Maintenance of Licensure (MOL) or to pass your initial Boards.**

These comprehensive flashcards, prepared by COA members, have been updated to cover all chapters in OKU-11. **For the convenience of busy orthopaedic surgeons, the flashcards are available online either through an Internet-based program or downloadable to your smart device.**

The flashcard program allows you to review the cards and test yourself, allowing you to focus on the chapters that you still need to learn. Chapters may be studied individually or as a collective group.

*The flashcards are based on information and illustrations contained in OKU-11. The American Academy of Orthopaedic Surgeons has given COA permission to use this information, but the AAOS was not involved in the development of the flashcards; nor, do they endorse the software applications used to make the flashcards available. All orders for the flashcards, must be ordered through COA.*

Orthopaedic surgeons who have utilized the flashcard set have found them to be very helpful in providing a time efficient way to prepare for their MOC, MOL, or boards. Even if you are not due to recertify, order these flashcards to help refresh your orthopaedic knowledge base in areas that are not part of day—to—day orthopaedic practice. They are also helpful in your Medical-Legal work to help you understand new orthopaedic treatments. We urge you to consider this additional study tool.

<b>Pricing</b>	<b>COA</b>	<b>AAOS</b>
<b>Active Members</b>	<b>\$75 USD</b>	<b>\$200 USD</b>
<b>Residents/Fellows/Active Military Members:</b>	<b>\$40 USD</b>	<b>\$75 USD</b>
<b>Non-Member:</b>	<b>\$250 USD</b>	<b>\$250 USD</b>
