# ACO: Benefits and Obstacles

Matt Cantonis  
Scripps Health  
AVP, ACO Clinical Care Lines

# The Perfect Solution?

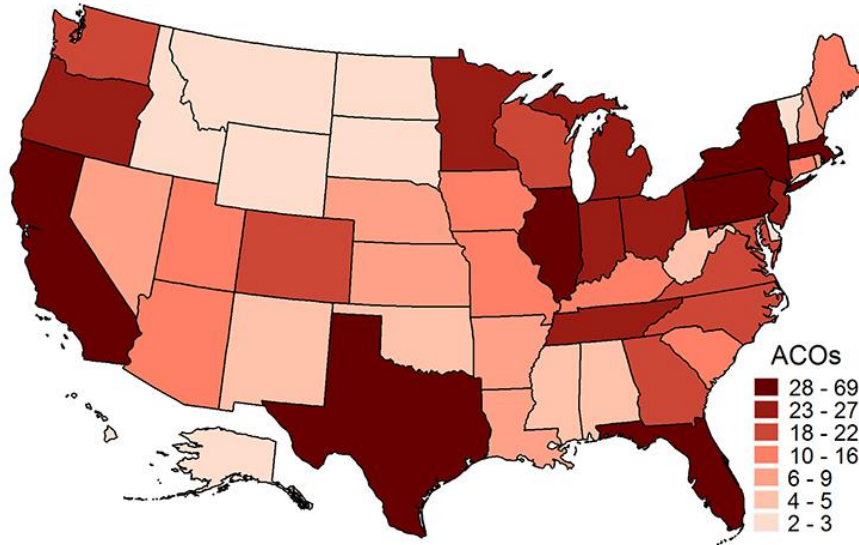

# ACO Growth

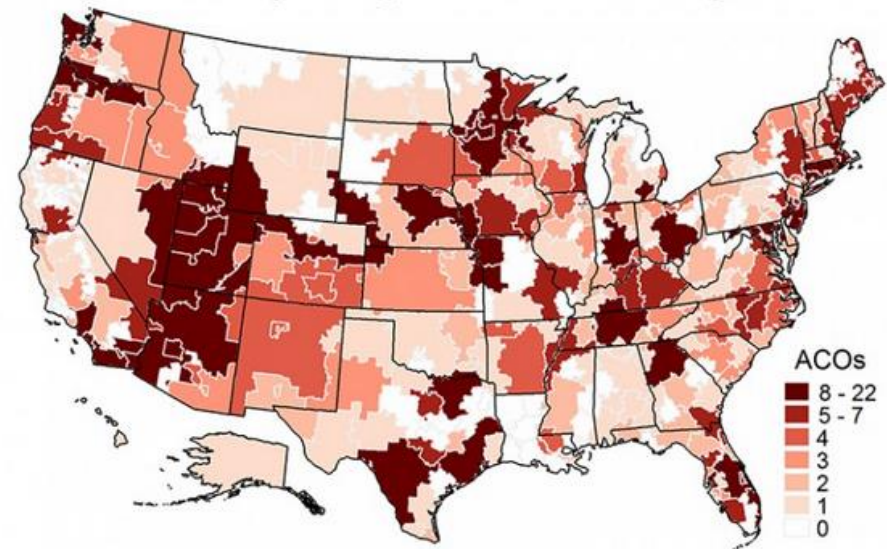

# Concentration of ACO's by state and Market

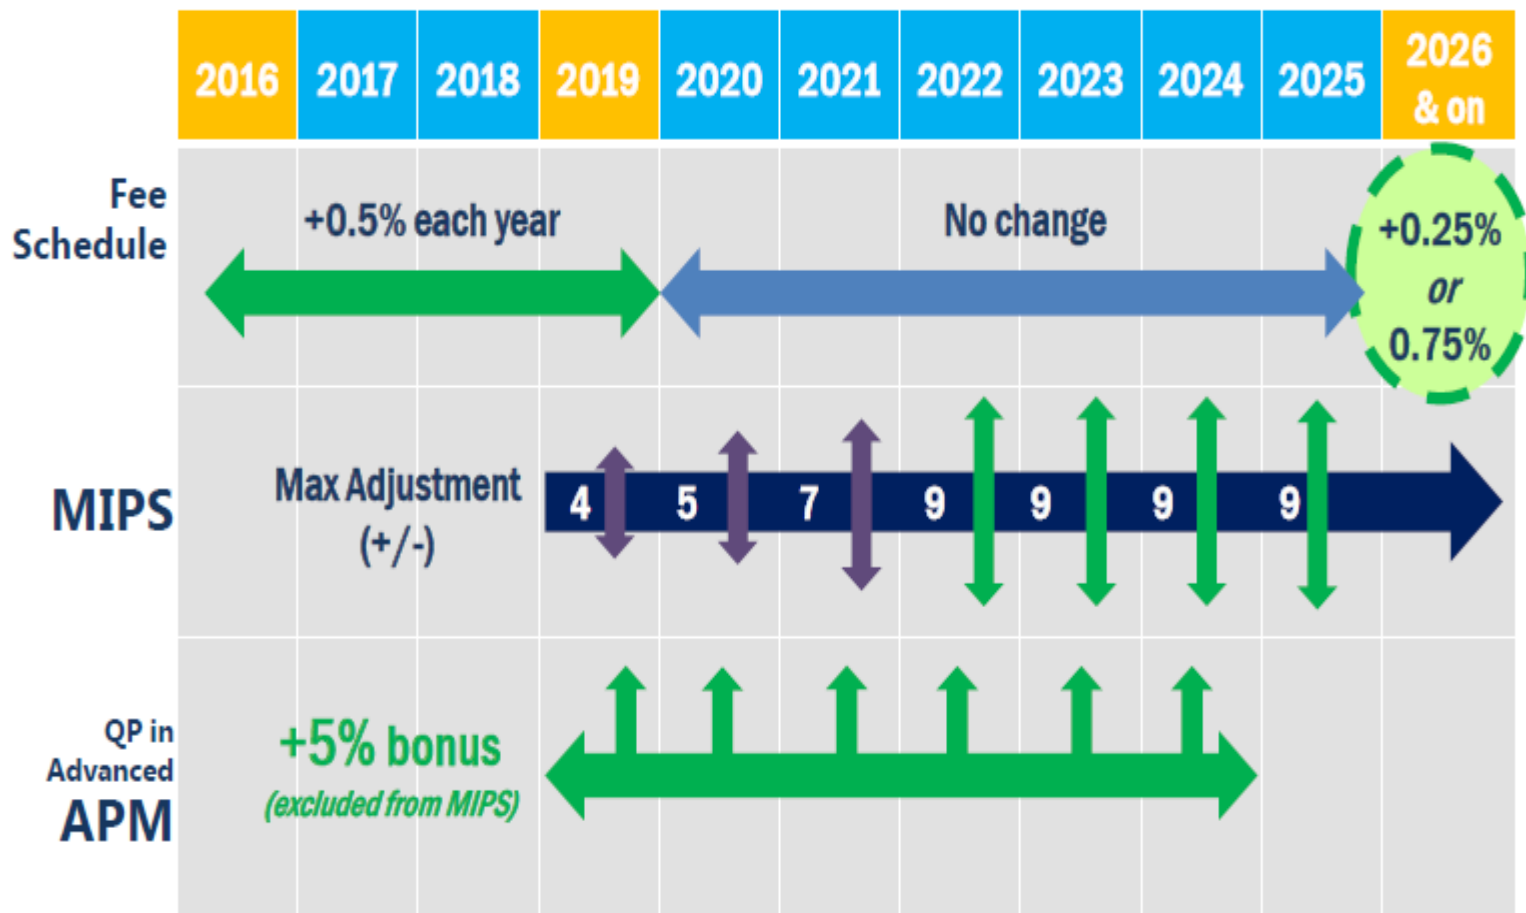

## ACOs by State

## ACOs by Hospital Referral Region

# Benefits – MACRA

# Functional Incentives

The objective of accountable care payment reform is to support improvements in the delivery of care.

# Common threads

---

- Primary Care Focused
- Risk shared across providers
- Providers MAY participate in more than one ACO or AAPM
- Incentives
  - Financial upside and downside
  - Standardization
- Shift from specific intervention to episodic focus.
- Enhanced outcome data transparency across continuum

# The Future
