Learn About the
Future of
Orthopaedics!

TIME TO PLAN FOR THE 2020 COA ANNUAL MEETING!

Why should you attend the meeting? This year we have featured keynote speakers Freddie Fu, M.D. and future AAOS President Joe Bosco, M.D. COA will continue to provide renowned speakers, 10 hours of SAE CME, and interaction with hundreds of surgeons from around California. Beyond this there will be a stimulating Presidential Leadership Symposium on Friday with an array of speakers dedicated to novel ways to bring value to your practices. On Saturday and Sunday, we will have fantastic talks covering hot topics such as stem cells and CBD, as well as current thinking throughout multiple orthopaedic sub-specialties. The meeting is also aiming to engage the needs of younger surgeons with a new break-out session discussing fundamentals of starting and continuing a successful practice, whether it be in employed, private, or academic settings.

The Terranea Resort in lovely Rancho Palos Verdes, California has some of the most picturesque coastline for this upcoming COA Annual Meeting. This relaxing hotel is situated directly on the ocean where "SEA Hunt" was filmed, with the natural beauty of this still relatively untouched piece of coastline. Nearby opportunities abound for hiking, plein air painting by the sea, Kid's Club activities, stand up paddle boarding, and a round of golf at The Links.

**Don't miss out on the education, the location,
and networking with your ortho colleagues!**

A handwritten signature in black ink, appearing to read "Ronald A. Navarro M.D.".

Ronald Navarro, M.D.
COA President

A handwritten signature in black ink, appearing to read "Michael P. Hall M.D.".

Michael P. Hall, M.D.
Annual Meeting Program Chair

DON'T MISS THE PRESIDENTIAL LEADERSHIP SYMPOSIUM!

Friday, April 17, 2020

Symposium Title:

"How to Rethink Your Business Mindset to Deliver Orthopaedic Value in California"

Investment Perspective

Mark Froimson, M.D. MBA, Principal,
Riverside Health Advisors

Entrepreneur Perspective

Danny Goel, M.D., CEO, Precision OS

Retail Perspective

Marcus Osborne, VP, Health & Wellness, Walmart

Industry Perspective

Lawrence Higgins, M.D. VP Strategic Development,
Arthrex

CME ACCREDITATION

CME CONTINUING EDUCATION & PROGRAM COMMITTEE

Ronald Navarro, M.D., COA President

Michael P. Hall, M.D., Annual Meeting Program Chair

Diane Przepiorski, CME Coordinator

Kristy Schrimsher, Program Coordinator

ACCREDITATION STATEMENT

The California Orthopaedic Association is accredited by the California Medical Association (IMQ/CMA) to provide continuing medical education for physicians. The California Orthopaedic Association designates this live activity for a maximum of **15 AMA PRA Category 1 Credit(s)[™]**. Physicians should only claim credit commensurate with the extent of their participation in the activity. The California Orthopaedic Association takes responsibility for the content, quality, and scientific integrity of this CME activity.

RADIATION SAFETY

5 credits of the Category 1 CME credits qualify for radiation safety hours to meet the Radiologic Health Branch CME requirements in fluoroscopy and radiation safety.

ABOS MOC CREDITS

10 credits of the Category 1 CME credits qualify for ABOS MOC scored and recorded Self-Assessment Examination credits. **You must take a post test to receive the credits.**

QME CME CREDITS

The QME Course is accredited for **6 hours of Qualified Medical Evaluator (QME) CME credit hours**. COA is provider #100.

TARGET AUDIENCE

This program has been designed for the general orthopaedic surgeon and other members of the orthopaedic health care team to instruct them in the latest research in Stem Cell/Progenitor Cell Treatments and Cannabis & CBD in Orthopaedics and hot topics in: Sports Medicine, Arthroplasty, Trauma, Foot and Ankle, Elbow, and Shoulder. The QME course will update Qualified Medical Evaluators/Agreed Medical Evaluators on the changes to the Medical-Legal Fee Schedule and new disability evaluation issues and case law.

Orthopaedic Health Care Team Members (e.g., Primary Care Physicians, Practice Managers/Physician Assistants/Nurse Practitioners) are also encouraged to attend.

EDUCATIONAL OBJECTIVES

- * Evaluate whether Stem Cell/Progenitor Treatments are right for your arthritic patients.
- * Understand the hot topics in: Sports Medicine, Arthroplasty, Trauma, Foot and Ankle, Elbow, and Shoulder.
- * Enable attendees to rethink their business mindset to deliver orthopaedic value in their practice.
- * Help QMEs/AMEs understand the new changes in disability evaluations and Medical-Legal Fee Schedule.
- * Labor law changes that affect all employers.
- * Federal and State Legislative Update affecting Orthopaedic surgeons and their patients.
- * Learn about the newest orthopaedic technology that will improve clinical treatment options.
