Opportunity for an Orthopedic Surgeon - Torrance Posted: 6/ 2023

Our office is need of an independent orthopedic surgeon who desires to practice in the beautiful South Bay (Southern California). Orthopaedic Surgical Specialists (www.ossmd.com) is a private practice located in Torrance, California and the position is ideal for general orthopedist with an emphasis in sports medicine, shoulder (arthroscopic, open, and arthroplasty procedures), elbow, hip arthroscopy, and knee arthroscopy.

This private practice allows for a combination of independence and collegiality. Office call is light and ER panel call is optional. This role is ideal for a surgeon seeking supplemental part-time work (average 1 to 2 days in office and surgery) with a realistic probability for a transition to full-time depending on the motivation of the surgeon. In this office, the new orthopedic surgeon will initially be comparable to an independent contractor and will keep the vast majority of their fees, depending on their monthly collections.

Benefits

Independence
Great potential depending on surgeon's motivation
Only 2 hospitals
Excellent referral base
