Paradise Camp Fire

Orthopaedic Community Affected

The devastation of the Paradise Camp Fire struck the orthopaedic community, with 23 staff members of Orthopedic Associates of Northern California and Skyway Surgery Center losing everything. COA has donated to a Go Fund Me campaign to help these families in the process of rebuilding their lives and **we invite you to consider contributing as well.**

AAOS Board of Directors Approves CPG on Acute Compartment Syndrome

AAOS

On Dec. 7, the Academy's Board of Directors approved the Clinical Practice Guideline (CPG) on the Management of Acute Compartment Syndrome, the first of a series developed in collaboration with the Major Extremity Trauma Research Consortium and funded by a Department of Defense research grant. This CPG aims to guide the diagnosis and treatment of acute compartment syndrome by providing evidence-based recommendations for 12 key decisions that affect the management of patients with extremity trauma.
