2021

*ANNUAL MEETING
& QME Course
Virtual Course*

May 19 – 23, 2021

Lesley Anderson, M.D.
COA President

Orrin Franko, M.D.
2021 Program Chair

CME ACCREDITATION

CME CONTINUING EDUCATION & PROGRAM COMMITTEE

Lesley Anderson, M.D., COA President

Diane Przepiorski, CME Coordinator

Orrin Franko, M.D., Annual Meeting Program Chair

ACCREDITATION STATEMENT

The California Orthopaedic Association is accredited by the California Medical Association (IMQ/CMA) to provide continuing medical education for physicians. The California Orthopaedic Association designates this virtual live activity for a maximum of **15 AMA PRA Category 1 Credit(s)[™]**. Physicians should only claim credit commensurate with the extent of their participation in the activity. The California Orthopaedic Association takes responsibility for the content, quality, and scientific integrity of this CME activity.

RADIATION SAFETY

10 credits of the Category 1 CME credits qualify for radiation safety hours to meet the Radiologic Health Branch CME requirements in fluoroscopy and radiation safety.

ABOS MOC CREDITS

10 credits of the Category 1 CME credits qualify for ABOS MOC scored and recorded Self-Assessment Examination credits. **You must take a post test to receive the credits.**

QME CME CREDITS

The QME Course is accredited for **6 hours of Qualified Medical Evaluator (QME) CME credit hours**. COA is provider #100.

TARGET AUDIENCE

This program has been designed for the general orthopaedic surgeon and other members of the orthopaedic health care team to instruct them in the latest research in Generational Differences in Treating MSK Patients, How to Recognize and Handle Unconscious Bias, Staying on Top of Orthopaedic Knowledge, Update on Biologics and Tissue Regeneration, Problems of the Knee, Common Pitfalls—Total Joints, Rotator Cuff Tear Management, Common Pitfalls—Spine and Hand Treatments, Radiation Safety, and Bone Substitutes in Trauma Cases. The QME course will update Qualified Medical Evaluators/Agreed Medical Evaluators on the changes to the Medical-Legal Fee Schedule and new disability evaluation issues and apportionment issues.

EDUCATIONAL OBJECTIVES

- * Evaluate whether biologics can regenerate tissue for your arthritic patients.
- * Understand the common pitfalls in total joints, hand, spine, knee, and shoulder.
- * Evaluate the best use of bone substitutes in trauma cases.
- * Enable attendees to rethink their business mindset to deliver orthopaedic value-based care in their practice.
- * Help QMEs/AMEs understand the new changes in disability evaluations and Medical-Legal Fee Schedule.
- * Highlight the potential for unconscious bias in treatment issues.
- * Discuss whether there are generational differences in how orthopaedic surgeons treat their patients.
- * State Legislative Update affecting Orthopaedic surgeons and their patients.
- * Learn about the newest orthopaedic technology that will improve clinical treatment options.

This activity is in compliance with California AB 1195 which requires continuing medical education activities with patient care components to include curriculum in the subjects of cultural and linguistic competency. Cultural competency is defined as a set of integrated attitudes, knowledge, and skills that enables health care professionals or organizations to care effectively for patients from diverse cultures, groups, and communities. Linguistic competency is the ability of a physician or surgeon to provide patients who do not speak English or who have limited ability to speak English, direct communication in the patient's primary language.

CBones ANNUAL MEETING

Wednesday, May 19

From COVID to CODING - What next?

Resources so we all do better, together!

- 8:30 am **Introductions** Lisa Bailey
- 8:45 am (Pre-Recorded - 30 min session)
“Tipinar” Brought to you by our Gold Sponsor- Phoenix Ortho
Stepping into the Electronic World Part 1: Using Patient Portals and Kiosks
- Phoenix Ortho—Presentation
Learning objectives:
- ⇒ Step into efficiency mode using many easily provided tools to collect patient information. Reduce the wait time for patients at check in. You need timely identification and collection of Insurance Changes in advance of the starting the visit. Don't wait till a claim is denied to find out there was a change of insurance or authorization.
 - ⇒ Reduce staff time and paperwork by using virtual and electronic recording of patient demographic information. Don't overlook the benefit of using electronic completion of commonly used forms: Financial Policy, Pain Ratings, Fall Risk Assessments and more.
- 9:30 am (Live-Interactive 90 min session) Sean Weiss, VP Doctors Management Co.
Government Pitfalls and Mitigating Risks- “CMS, HHS and OIG High-Risk Targets”
Interactive Coding/Documentation Compliance workshop delivering the following learning objectives:
- Sean Weiss—PPT Presentation
- ⇒ Privacy and Security is a high priority for OCR in 2021
 - ⇒ Evaluation and Management Services
 - ⇒ Medical Necessity, The False Claims Act and Defensibility
 - ⇒ Definition and Generally Accepted Error Rates
 - ⇒ Incident-To Provisional Billing
 - ⇒ Sustained or High Error Rate
 - ⇒ Corrective Action Plan (CAP)
 - ⇒ OIG Areas of Focus;
 - * Evaluation and Management Services
 - * Medical Necessity
 - * Cloning and Clinical Plagiarism
 - * Infusion Services with an Evaluation and Management Services and Application of 25 modifier
 - * Incident-to Provisional Billing
- 11:00 am 15-minute Break/Networking with Exhibitors
- 11:15 am (Live-Interactive 90 min session) Matthew Menendez, President - White Plume
- Matthew Menendez—PPT Presentation
Handout—Workbook
Revenue Cycle Trends for Orthopaedic Leaders in 2021 and Beyond
Hands on Coding & Documentation workshop delivering the following learning objectives:
- ⇒ 2021 Coding Changes:
 - * 2021 E&M Overhaul
 - * Medical Necessity & MDM
 - ⇒ New Rev Cycle KPI's
 - * EPH
 - * Revenue Leakage per Encounter
 - ⇒ Rev Cycle Org Chart of the Future
 - * 4 new positions all future rev cycle org charts will include
 - * Rev cycle results created by these new resources
 - * Strategies for independent practices looking to keep up
 - * How to get the results of a large health system without breaking the bank

CBones ANNUAL MEETING

Wednesday, May 19 (continued)

1:00 pm

(Live - 20 min session)

CBones Business Meeting
Business Sponsors - Infomercials
Cooperative of American Physicians
Sharecare

Dyanna Johnson, Treasurer
Conference Sponsors

1:30 pm

(Pre-Recorded - 30 min session)

“Tipinar” Brought to you by our Gold Sponsor- Phoenix Ortho
Stepping into the Electronic World, Part 2

Phoenix Ortho Presentation

Learning objectives:

- ⇒ Using tools such as outbound faxing to provide immediate information to a requesting party, submit authorization requests and more. Incoming Fax Management provides real time distribution to the intended recipient while also attaching to the patient chart. Ability to attach documents to electronic claims and more.
- ⇒ What reports do you need to visualize your Revenue Cycle? When providers ask “Where is our money?”, what reports do they really want to see? At the same time, you as the Company Administrator or Revenue Cycle Manager need more granular reporting. Let’s talk about making your life easier.
- ⇒ What is on your wish list? Patient automated balance notifications? Automated Payment Arrangements? Providers seeing their schedules on their Smart Phones? Dip your toe into options!

2:00 pm

Closing Remarks

CBones Leaders

ANNUAL MEETING – QME COURSE

Thursday, May 20

(Earn 6 hours of QME CME credits)

QME Course

Course Moderator: Peter Mandell, M.D.

7:00 am Registration/Networking with Exhibitors

Live Presentations

7:55 am	Course Objective/Overview	Peter Mandell, M.D., Moderator
8:00 am	Telehealth MSK Evaluations	Moderator: Peter Mandell, M.D.
9:00 am	How to Conduct a Telehealth MSK Evaluation	Edward Laskowski, M.D., Mayo Clinic
9:20 am	What Needs to be in a Telehealth Report?	Honorable Judge Robert Rassp
	Improving Communication with WC Claims	Bill Zachry CA State Compensation
	Administrators and QMEs/AMEs	Insurance Fund board member
9:40 am	Q&A

A SPECIAL THANK YOU TO THESE 2021 EXHIBITORS FOR SUPPORTING THE MEETING.

<p>20LIGHTER</p> <p>WWW.20LIGHTER.COM</p>	<p>Award-winning 20Lighter is the only program targeting not only the scale, but visceral fat – the cause of obesity-associated illnesses like hypertension, diabetes, and heart disease. Whatever your reason for wanting to lose weight, 20Lighter will help you and your patients become healthier, more active, and improve your quality of life for years to come.</p>
<p>ALLSCRIPTS HEALTHCARE SOLUTIONS</p> <p>WWW.ALLSCRIPTS.COM</p>	<p>Allscripts offers award-winning Electronic Health Record Software; Practice Management Software; and Revenue Cycle Management Services, including medical billing, coding, contracting, and credentialing. A total of 180,000 physicians, 2,500 hospitals and 17,000 Post-Acute Facilities depend on Allscripts for their clinical and financial needs.</p>
<p>ARROWHEAD EVALUATION SERVICES</p> <p>WWW.ARROWHEADEVAL.COM</p>	<p>What makes Arrowhead Evaluation Services, Inc. different from the others? Our values. As an independent third party, Arrowhead Evaluation Services, Inc. provides a panel of ethical, experienced and qualified medical professionals to evaluate every type of injury. Our medical experts are available to provide testimony in medical / legal cases.</p>
<p>BAUDAX BIO</p> <p>WWW.BAUDAXBIO.COM</p>	<p>Baudax Bio is a specialty pharmaceutical company focused on developing and commercializing products for patients in acute care settings. We are committed to bringing clinically meaningful therapies to patients, providers, and payers. Baudax Bio was founded in 2019 when Recro Pharma separated its Acute Care Division from its Manufacturing Organization.</p>
<p>CONVATEC</p> <p>WWW.CONVATEC.COM</p>	<p>ConvaTec is a global medical products and technologies company focused on therapies for the management of chronic conditions, with leading market positions in advanced wound care, ostomy care, continence and critical care. ConvaTec’s products provide a range of clinical and economic benefits including infection prevention, protection of at-risk skin, improved patient outcomes and reduced total cost of care.</p>
<p>COOPERATIVE OF AMERICAN PHYSICIANS</p> <p>WWW.CAPPHYSICIANS.COM</p>	<p>The Cooperative of American Physicians is a premier provider of medical professional liability coverage, currently protecting over 12,000 of California’s finest physicians. In addition to superior medical professional liability coverage, CAP provides a wide range of value-added risk management and practice management programs to help keep its members independent and thriving.</p>
<p>DAISYBILL</p> <p>WWW.DAISYBILL.COM</p>	<p>DaisyBill is cloud-based software for providers to electronically submit and manage workers’ compensation medical bills. Our founders spent decades in the industry and saw how broken the system is--and how to fix it. They built a technology solution that makes work comp billing more efficient, more transparent, and just plain better. While DaisyBill makes workers' comp a win-win for all stakeholders, our clients absolutely love us. Bills get paid easily and quickly, and DaisyBillers can finally take control of their difficult work comp billing.</p>
<p>EXAMWORKS</p> <p>WWW.EXAMWORKS.COM</p>	<p>ExamWorks, Inc. is a leading provider of independent medical examinations, peer reviews, bill reviews, Medicare compliance, case management and related services ("IME services") to the insurance and legal industries, third-party administrators, self-insured parties and federal and state agencies. ExamWorks is dedicated to the national presence required to serve its clients and the preservation of the local offices where clients receive exceptional service from our credentialed physicians and allied professionals.</p>

A SPECIAL THANK YOU TO THESE 2021 EXHIBITORS FOR SUPPORTING THE MEETING.

<p>FERRING PHARMACEUTICALS</p> <p>WWW.FERRINGUSA.COM</p>	<p>Ferring Pharmaceuticals is a research-driven, specialty biopharmaceutical group committed to helping people around the world build families and live better lives. In the United States, Ferring is a leader in reproductive medicine and maternal health, and in specialty areas within gastroenterology and orthopaedics. For more information, call 1-888-FERRING (1-888-337-7464)</p>
<p>GLOBAL 1 SURGERY</p> <p>WWW.G1SURGERY.COM</p>	<p>Global 1- The Bundled Payment Experts As the largest administrator of outpatient surgery center-based bundled payments in California, Global 1 is committed to delivering high-quality outcomes in an ASC setting. By aligning the provider, the facility, and anesthesiologist, G1 offers a single transparent price for an episode of care.</p>
<p>ORTHOPAEDIC RESEARCH AND EDUCATION FOUNDATION (OREF)</p> <p>WWW.OREF.ORG</p>	<p>The Orthopaedic Research and Education Foundation (OREF) is a charitable 501(c)(3) organization committed to improving lives by supporting excellence in orthopaedic research. OREF is dedicated to being the leader in supporting research that improves function, eliminates pain and restores mobility, and is the premiere orthopaedic organization funding research across all specialties.</p>
<p>SHARECARE HDS</p> <p>WWW.HDS.SHARECARE.COM</p>	<p>Sharecare HDS provides release of information (ROI) services to healthcare organizations. We are your partner in ROI that allows you to do more in your medical records department with far less effort. Save money/time and off load this tedious, HIPAA compliant nightmare of ROI to Sharecare.</p>
<p>TRICE MEDICAL</p> <p>WWW.TRICEMEDICAL.COM</p>	<p>Trice Medical continuously strives to improve physician experience and patient outcomes by delivering cutting-edge, minimally invasive, imaging solutions for faster diagnosis and recovery. We are consistently developing new products to enhance our portfolio and partnering with experts in the medical field to deliver the latest advancements in diagnostic and surgical care.</p>
<p>VERICEL</p> <p>WWW.VCEL.COM</p>	<p>Vericel develops, manufactures, and markets autologous cell-based therapies for patients with serious diseases and conditions. The company markets MACI® (autologous cultured chondrocytes on porcine collagen membrane), a third generation autologous cellularized scaffold product that is indicated for the repair of single or multiple symptomatic, full-thickness cartilage defects of the adult knee, with or without bone involvement.</p>
