

COA Partners Enhancing Member Benefits

Complimentary access to ORTHOEVIDENCE⁺

COA members receive complimentary access to OrthoEvidence (OE) which is the global online source for high quality and timely orthopaedic-only evidence-based summaries, pre-appraised by orthopaedic medical experts. Subscription is free with membership – click HERE (<https://myorthovidence.com/account/login>) to access your account!

Stand-Alone ePrescribing Platform

As of January 1, 2022 two things will change in prescribing medications:

1. The Centers for Medicare and Medicaid (CMS) is requiring that Part D prescriptions for Medicare patients for controlled substances must be submitted electronically.
2. California is mandating that all prescriptions be submitted electronically.

To assist COA members in complying with these requirements, COA has partnered with Veradigm (a business unit of Allscripts) to offer its members access to a stand-alone application for e-prescribing. A stand-alone option allows physicians to e-prescribe even though they do not have an EHR system in their practice. COA members receive a 15% discount - \$29 per health care provider per month with ads
\$33 per health care provider per month without ads
